28 February-1<sup>o</sup>March 2016  
Booth 2427

Taking part to Restaurant Canada show (national exhibition for hotels, catering and extra-domestic consumption) in cooperation to our Canadian distribution agency Bum Contract Furniture Showroom & Distribution, is the further step of Serralunga contract and hospitality market entry strategy.

In Toronto, Serralunga will show a selection of seating and furniture collection for charming outdoor spaces besides scenographic big size lighted pots.

The quality and style of products made in Italy; cooperation with renowned international designers; use of high-performance materials in terms of resistance to sunrays as well; a full service that can translate our long experience in the field of integration of landscape design and outdoor furnishing; our accurate after-sales assistance; communication: these are the irrevocable values, the harmonious ingredients with which Serralunga has always built its reputation and its success.

With furnishing first, and with light after, Serralunga offers a complete concept of outdoor living, for the house and for its shared spaces, where the cornerstones are always balance, the beauty of shapes, and the technological innovation of material processing: polyethylene, with a rotational moulding and technique evolution pioneered by the company.

Thanks to its very wide range of products families, for indoor and outdoor use, and to the know-how it has developed in decades of activity, Serralunga can achieve a very high level of customisation of projects, to fulfil very different needs.

The sculptured collections of pots, furnishing items and light fixtures, always design-oriented, can be found in the world's most beautiful households: prestigious residences, luxury hotels, disco clubs, terraces, gardens, swimming pools, spas, as well as public places such as squares and parks.
